

**Ciscom Web Site Packages** provide a modular approach to building your web presence. Each package gives you a sound base on which to develop your web site and they are all fully compatible with our shopping and eCommerce systems. You can upgrade and add functionality at any time.

The packages provide everything you need - there are no hidden extras. Even a domain name is included.

### Business Web

#### Price £495

This package provides your base web site and email with up to 12 pages. Additional pages can be added at £22 ea. Ciscom Business includes the following:

- .com or .co.uk Domain Name
- Professional Web Site to match your business look and feel
- Web Hosting for 1 year
- Email – up to 10 email addresses
- Web Mail – collect your email from any web browser
- Personal Control Panel - gives you control over your email
- Web Stats - comprehensive visitor information package
- Customer contact and enquiry form
- One time submission of all pages to all major search engines

#### Options

- Maintenance package £25 per month by standing order includes all updates, housekeeping and maintenance
- Search Engine monthly optimisation, submission and report £49 per month by standing order

### Customer Management

#### Price £195

Add a powerful MySQL database to your web site and collect customer contact details every time a visitor sends you a query or signs up. You can then use the customer data for follow-up marketing by email, telephone and mail. Ciscom Customer Management includes

- MySQL Database
- Database enabled Customer Sign-up and Enquiry pages
- Admin System – password protected area to search, view and export your customer records

### Web Shop

#### Price from £495

Add an online shop to your web site and gain a share of the lucrative online market. There are several ways to provide you with an online shop, which will depend on the number and type of products you sell. We will be happy to discuss the best system for your business. Standard features include:

- Store Front
- Shopping Cart
- Product Search
- Bestsellers
- Customer Reviews
- Administration System to process orders and update products and stock

Please contact Ciscom Internet on **0207 193 8460** to discuss the best option for your business.

### Ciscom Bespoke

#### Bespoke Web Sites and Web Systems

Ciscom Internet can build you a bespoke web site or web based system. We are experienced in many market sectors including retail, events, insurance, financial services and occupational health. We can build you an online system that provides a real return on investment.

If you would like to talk to us about a web site or web based system, please email [info@ciscom.co.uk](mailto:info@ciscom.co.uk) or phone **0207 193 8460** and we will be happy to discuss your requirements without obligation.
